

Nyjel Fraser is a seasoned media professional driven by his passion for the industry. With over 20 years of experience, he has become a skilled videographer, video editor, and live broadcasting expert. Currently serving as the Managing Director and Technical Support at HGPTV-Omar Farouk Inc., Nyjel's expertise and leadership contribute to the success of the organization.

Nyjel's journey in media began with his love for video cameras and his pursuit of a Diploma in Public Communication from the University of Guyana. This educational background equipped him with a solid understanding of effective communication strategies that he has consistently applied throughout his career.

In his role as Managing Director and Technical Support at HGPTV-Omar Farouk Inc., Nyjel takes charge of overseeing operations and ensuring the smooth functioning of technical aspects within the organization. His strong leadership skills, combined with his extensive media experience, make him a valuable asset in managing teams and driving the company's overall success.

With a rich background in media and an unwavering dedication to his craft, Nyjel Fraser continues to make significant contributions to the industry. He remains passionate about delivering impactful content and consistently pushes the boundaries of media production.
